# General Information

**Time and Place:** Sale starts promptly at 12:00 o'clock noon, Central Standard Time, on Monday, September 26, 1960. Lunch will be served at the farm. The sale will be held at Von Ber Mar Farms, Lenox, Iowa, 20 miles Southwest of Creston, Iowa. Creston is located at the junction of U. S. Highway 34 and Iowa Highway 25. To reach the farm from Creston, take U. S. Highway 34 southwest to Springtown, turn South on Highway 49 to Lenox. Farm is one mile Southwest of Lenox.

**Transportation:** Creston is on the main line of the C. B. & Q. Railway running from Chicago to Omaha and Denver and is also on Bus Lines from every direction. Modern airports are located at Creston and Corning and there is an air strip for light planes at Lenox.

**Sale Headquarters:** As a matter of convenience, we will name the Iowanna Hotel at Creston, Iowa, as sale headquarters although there are four good motels on Highway 34 at Creston for those who prefer such accommodations. There are also good motels at Corning, Iowa, for those coming from the west. We will be glad to meet planes, trains or buses at any point if notified in advance. Von Ber Mar Farms are 90 miles Southeast of Omaha and 90 miles Southwest of Des Moines.

**Sale Managers:** Hal Longley, 16 S. Locust St., Aurora, Illinois, and Mervin F. Aegerter, Seward, Nebraska.

**Guarantee:** All cattle will be sold under the Standard Guarantee of the American Shorthorn Association. Cattle at owner's risk when sold, but every care and attention will be given until shipment is made. Terms of sale are cash. Settlement to be made with clerk immediately following the auction. Leave shipping instructions with the clerk. All transactions constitute a contract between Vaughn V. Moore, the seller, and the buyer of each lot. Neither the sale managers nor the clerk nor the auctioneers assume any liability for the contract or the fulfillment of guarantees.

**Liability:** Although every caution will be taken to provide for the safety and comfort of those attending, all who attend do so at their own risk. Neither Vaughn Moore, nor the sale managers nor the auctioneers nor clerks can accept any liability for accidents that may occur. The sale managers were retained for specific purposes, promotional and clerical, and have no connection with the handling of the cattle or condition of the premises.

**Health:** All cattle will be sold to comply with health regulations of the State of Iowa. Calfhood vaccination is practiced in the Von Ber Mar Herd. Every possible precaution has been taken to insure the health, soundness and good-doing ability of these cattle. Health certificates will be furnished with each lot sold.

**Breeding Dates:** Will be given sale day. Any information from the block supersedes written material in the catalog or elsewhere.

## Welcome to Von Ber Mar Farms . . .

We cordially invite you to attend our Herd Division Sale. When we started the herd it was our intention to wait for our first sale until we could provide an offering completely of our own breeding. Circumstances frequently alter such plans, however, and this has proved true in our case. Our purpose at the outset was to establish a large herd, one with capacity enough to supply royally bred stock in liberal numbers at all times. We were well on our way toward such a goal when we found it possible to buy the entire Fontana Herd, established by Joseph Zuro and recognized everywhere as one of the most beautifully bred collections ever assembled. It was an opportunity too good to pass, but the acquisition of this herd doubled our numbers in one jump, and we found ourselves somewhat overstocked. As a result, our first sale comes earlier than expected.

We are proud of the offering and feel that this catalog contains a wealth of imported blood that should be helpful to breeders in their efforts toward improvement. The bulls are a worthy lot, all richly

bred, and there are enough of them to provide a wide selection. Since the females represent a split of the breeding herd and come right out of the pastures, we do not want to represent them as being pampered or overfitted.

We are proud of the progress we have made at Von Ber Mar Farms in a few short years. Our five herd bulls have all proved themselves worthy sires and our winning of grand championships at the International Live Stock Exposition and leading State Fairs gives us confidence that our aim has been right.

Von Ber Mar pedigrees are filled with the names of breeders who have contributed much to the improvement of Shorthorns on both sides of the Atlantic. We will make every effort to carry on the work of these Master Breeders. Again . . . we hope to have the honor of your presence at our first sale.

## FOUNTAINHEAD FOR SCOTCH SHORTHORNS

In the very heart of the beef world, where the production and feeding of purebred and commercial cattle is the Number 1 activity, Von Ber Mar Farms has provided one of the largest and strongest sources of supply of Scotch Shorthorns, the world's most useful breed. No matter where you live or how much expense is involved in travel, look to this great herd for seed stock, for these are the kind you need to insure progress.

Above — **Von Ber Mar Broadhooks 3rd**, grand champion female and supreme champion Shorthorn at the 1959 International Live Stock Exposition. Sire, Beaufort Bulldozer. Owned and exhibited by Von Ber Mar Farms, Lenox, Iowa. Previous winnings included grand championships at the Iowa and Missouri State Fairs and the American Royal.

Right — **Fontana Augusta Fleur**, the first daughter of Glas-tullich Crusader and typical of his get. She came to Von Ber Mar Farms along with many more like her through the purchase of the entire Fontana Herd.

**Orchard Crocus 4th** by Cruggleton Brunel. \$3,200 top selling female, 1953 Gardhouse sale in Canada. Typical of the great imported cows in the Von Ber Mar Herd.

*There is much to see at Von Ber Mar Farms. Plan to spend Sunday, September 25th at the farm for a leisurely inspection and join the crowd that evening for a Shorthorn get-together where Owner Vaughn Moore and Manager Harold "Spoof" Cheatham will be hosts.*

I am very proud to be associated with Merv Aegerter in the management of this sale because, like thousands of others the country over, I recognize that Vaughn Moore has established one of the greatest herds of the breed at Von Ber Mar Farms. When this herd was started, Vaughn was a resident of Aurora and a frequent visitor in The Shorthorn World office, thus all members of this organization were familiar with his plans and aims. That he has reached a top position in the industry through careful selection and good management practices is very evident.

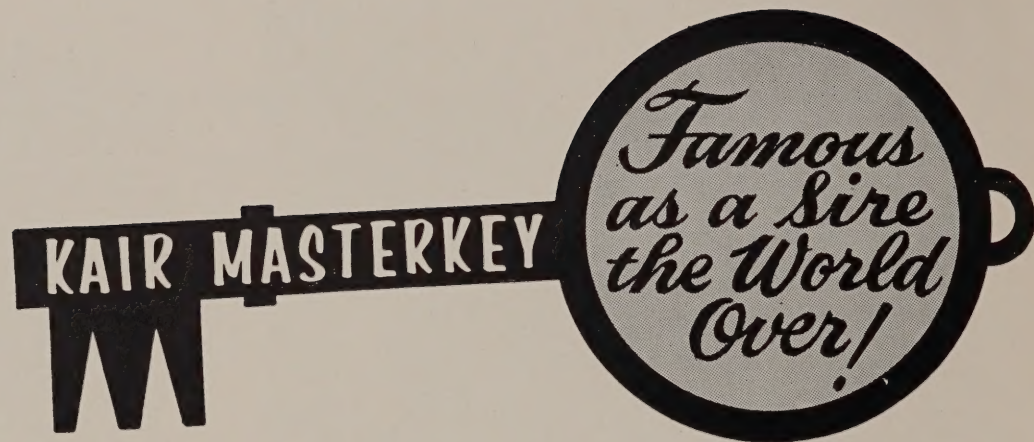

There is a very good reason for this sale. Shorthorn breeders everywhere are familiar with the fact that after the herd was already large and strong, it was suddenly doubled in size through the purchase of the entire Fontana Herd, owned by Joseph Zuro. As a result, with nearly 300 head of all ages, Von Ber Mar Farm was overstocked. To reduce the number to a point in line with accommodations, this Herd Division Sale was necessary.

This catalog is deserving of careful study. The pedigrees, nearly all with rich imported ancestry, are very strong. Over 3/4 of the females are daughters or granddaughters of imported cows . . . and most important of all, 36 of these royally bred females will carry the service of the internationally famous Kair Masterkey or his famous son, Glamis Masterstroke. The 20 bulls will provide a wide selection and all are bred well enough to suit the most critical. This is not an over-fitted sale offering. The cattle are in normal flesh and ready to work.

Congratulations, Vaughn Moore, on your great showing at the 1959 International! When you can win the Supreme Championship on one of your first productions, there is plenty of evidence that your aim has been perfect.

Never has an animal borne so rightly a name . . . Masterkey . . . Just as a masterkey opens all doors . . . so does KAIR MASTERKEY open the many doors to breed improvement . . . His own record in the great Perth show . . . the record of his offspring in the same event . . . his ability to put the stamp of greatness on his progeny . . . these are the qualities we admire most in him . . . Not only is he a great individual possessing the bone, shortness of leg and breed character so sought after . . . he goes beyond this point with a proven record of prepotency . . . We want you to meet him soon . . . this is your invitation.

Practically all of the daughters of Kair Masterkey have been retained in the famous Glamis herd. This is the only reason we were able to purchase this great proven sire. Six daughters were sold in the 1957 Bapton-Glamis reduction sale, the oldest of which was 9 months. Another daughter was sold at Perth this year. The average on the seven was \$1,500.

This picture shows **Von Ber Mar Robin** as he looks today.

Vaughn Moore, owner of Von Ber Mar Farms, poses **Von Ber Mar Robin** immediately after he was named junior and grand champion at the 1959 Iowa State Fair.

**Von Ber Mar Roan Robin** — We bought his mother in Scotland and made arrangements to have her mated to the noted Bapton Roan Robin, the son of Bapton Constructor that was retained for use in the Bapton Herd. He is a half brother to Kinellar Royal Robin that is being used at Louada Farms. Von Ber Mar Roan Robin was grand champion at the 1959 Iowa State Fair and won first prize at the 1959 American Royal Show. We want you to be sure to see this great young junior herd bull on sale day.

Left — After the male and female grand champions are named at Chicago it is the duty of the judge to award the Supreme Championship. This picture was taken when Judge Reford Gardhouse gave this high honor to **Von Ber Mar Broadhooks 3rd**. She and her mother are valuable members of the Von Ber Mar Herd. Manager “Spoof” Cheathom is at the halter as the huge crowd watches.

Right — This is **Bapton Roan Robin**, the sire of our great junior herd bull Von Ber Mar Roan Robin whose pedigree appears on the preceding page. Bapton Roan Robin is the bull that was retained in the famous Bapton Herd when his sire, Bapton Constructor, was sold to Louada Farms at \$50,000. He is the sire of Kinellar Royal Robin, also in service at Louada.

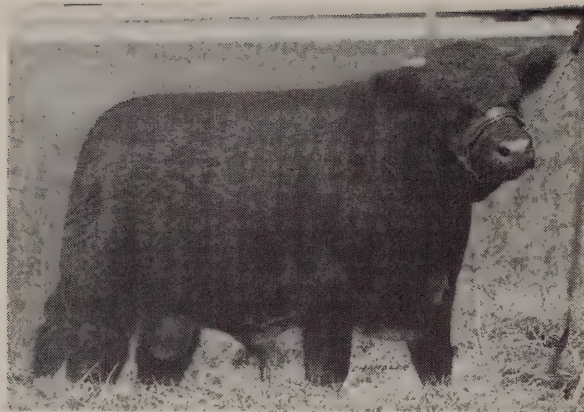

## ABOUT THE BULLS IN THIS SALE

There are 20 bulls in this sale, enough to provide a wide selection. Nearly all of them are ready for immediate service. Fifteen are by Glastulich Crusader, the great son of Calrossie Hyperbole that came to us through our purchase of the Fontana Herd. Three others are by Louada Valiant, one is by Bapton Cornerstone and one sensational calf is by Glamis Masterstroke. Sixteen bulls are out of imported cows or their daughters. These bulls are bred well enough to suit the most critical buyers. If you need a bull now or will need one soon, this is a sale you should attend.

**Von Ber Mar Masterstroke** — The first son of Glamis Masterstroke and he is being offered in this sale as a special attraction. He has a very strong head and carries it well. He has a world of bone and stands on a good set of legs. His dam is a heifer from a wonderful breeding family and his granddam was the champion female at the 1956 Iowa Royal. His pedigree should lend confidence since he represents a blend of the blood of Kair Masterkey and Calrossie Armada. This outstanding young bull will be in our 1960 show string and we would like to reserve the right to show him through the International. **Fontana Drummajor** — A very thick, heavy boned son of Glastullich Crusader out of a daughter of Beaufort Bulldozer, granddam by the noted Pittodrie Landmark. This bull hasn't had any special care, yet he has done well enough on his own that we intend to exhibit him at 1960 shows. He is a bull with a lot of promise and it would be difficult to write a stronger pedigree.

**Von Ber Mar Booster** — A son of Louada Valiant out of a great Edellyn Beauty cow by the many times grand champion Edellyn Royal Leader 149th. His dam was the champion and top selling female in the 1956 Illinois State Sale. A full brother to this bull sold at \$600 to Glen Kietzman, Loda, Illinois, in the 1959 Chicagoland Sale.

*Louada Valiant and three of his mates in the pasture at Von Ber Mar Farms. The two females in the center of the picture, Wonder's Lavender 5th and Clear Creek Jealousy 16th, are the dams of females in this sale.*

**We're dividing a great herd with the public**

*The heifers above were snapped at Joe Zuro's Windy Hill Farm, Fontana, Wis., and exemplify the quality of this herd which was purchased in its entirety by Von Ber Mar Farms, Lenox, Iowa.*

We urge you to make plans now to attend the **Von Ber Mar Herd Division Sale** when 20 grand young bulls and 41 females, right out of the heart of the herd, will be sold. In selecting the offering we kept in mind that today's buyers do not want to wait for dividends. Therefore, we will sell bulls that are nearly all ready for service and royally bred females that will produce early calves for their new owners. And most important is the fact that the get and service of world famous sires will be featured. Plan now to be at **Von Ber Mar Farms on September 26th.**

**Von Ber Mar Golden Drop** — This 12-months-old heifer is a last minute, special attraction and was included in the sale offering at the insistence of our sale managers. They were impressed with the calves by Glamis Masterstroke, and despite their short ages, they insisted that we include one of his sons and one of his daughters in the sale. Here is the heifer. We think she is a real attraction and she will be in our 1960 show herd. Her dam is a daughter of the International grand champion Ringwell Lodestar and her pedigree represents a blend of the blood of Calrossie Crocus Count and Beaufort Bulldozer. Study the pedigree and study the heifer. We would like to retain her here at the farm until we can put her in calf to the bull of your choice, if such an arrangement is desired.

**Edellyn Cecelia**, a daughter of Edellyn Polar Mercury by the great Calrossie Mercury. She is the dam of Lot 36 in this sale.

## *Here's the reason for this sale*

After this herd was already large and strong, we doubled the size of it through the purchase of the Fontana Herd, established by Joseph Zuro in its entirety on imported bloodlines. As a result, with nearly 300 head of all ages, we are overstocked. To reduce the number to a point more in line with our accommodations, we are dividing the herd with the public.

**Kickapoo Clara 4th** — These cows that are backed by a wealth of A. J. Marshall breeding are hard to buy. This is a big cow sired by Cruggleton Johnston that came to us with the Zuro herd. We had the misfortune of losing her first calf by Glastullich Crusader with pneumonia. She is in calf again to the Internationally famous Kair Masterkey since April 25th.
